SURVEY WEBSITES WITH FREE PLANS and the limitations

Tool	Questions per Survey	Responses per Survey	Surveys Allowed	Notes	Scoring out of 10
Typeform	Unlimited	10/month	3 forms	Conversational format, best for short, stylish forms. Only 10 responses per month – good for very small teams.	5.0
Zoho Survey	Up to 10	Up to 100	3 active surveys	Provides free enterprise trial version for only 7 days. Over 250 templates and supports survey creation in 26 languages. It offers real-time response tracking, PDF export, and screen recording for user feedback. Security features include HTTPS encryption, password protection, and hashed URLs. Good for Zoho ecosystem users.	6.0
Qualtrics	Up to 10	Up to 100	1 active survey	Academic/research quality logic, but limited on free plan.	6.5
SoGoSurvey	Up to 15	Up to 100	1 active survey	Good survey logic, limited analytics on free plan.	6.5
SurveyMonkey	Up to 10	Up to 25	Unlimited	Basic features, basic questions, no logic, no exporting.	6.5
SurveyPlanet	Unlimited	Unlimited	Unlimited	Good design tools, no data export on free plan. Must pay for additional questions such as 'scoring.' Pay for 'question title' as part of pro that you don't realize until after you've started to create your survey - hidden pay features are deceptive. Good for VERY basic survey questions.	6.5
Smore	Unlimited	Unlimited	Unlimited	For education / learner audiences. Focused on engaging newsletter-style forms.	7.0
Microsoft Forms	Up to 200	Up to 200	Unlimited	Great for Microsoft 365 users and also external user capabilities, can attach files, drag and drop, ease of use, logic, and more.	7.5
Google Forms	Unlimited	Unlimited	Unlimited	Fully free, integrates with Google Sheets. Appearance looks a bit outdated; does not have extensive question styles such as multi-scale.	8.0
Jotform	Unlimited	100/month (total)	5 forms	Great UI, generous question styles and count, limits based on monthly usage. Free logo input. HIPAA Compliance Features Unavailable only with free version	8.5
